FOR CANCER PATIENTS  
IN OUR COMMUNITY

## Formed in 2001, the Atlanta Cancer Care Foundation helps alleviate the financial burden felt by patients who are struggling financially because of a cancer diagnosis...

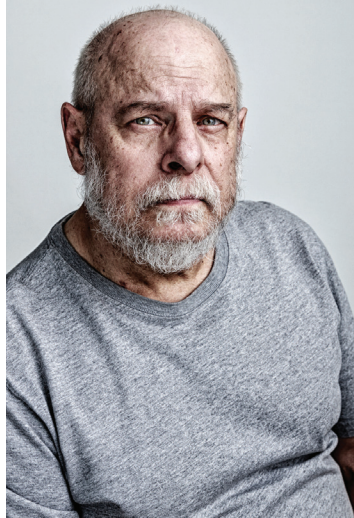

Through our Patient Financial Assistance program, ACCF has helped thousands of cancer patients in Metro Atlanta with their most critical financial needs.

Patients are typically referred by their medical provider, then contacted by a member of the Foundation's team to see how we can best reduce their financial stress.

*"It's hard for me to keep up with gas money and medication to get through this. Your help got me to and from treatment, making things much easier."*

ACCF assistance is fast, flexible, and compassionate. At every step, our goal is to help patients with whatever their most pressing financial need may be, so they can focus on what matters most – their health.

**For more information, or to download an application visit:**

ACCF serves adult cancer patients living and/or receiving treatment in these counties: Cherokee, Clayton, Cobb, Coweta, Dawson, DeKalb, Douglas, Fayette, Forsyth, Fulton, Gwinnett, Hall, Henry, Newton, Paulding, Rockdale & Walton.

### *ACCF grants help with whatever a patient needs most, such as:*

- Utility Bills
- Housing Costs
- Prescriptions, Durable Medical Equipment and Other Medical Costs
- Insurance Costs
- Transportation Expenses
- Nutritional Assistance

Eligibility for financial assistance is not limited to patients with a specific type of cancer, or those being treated at a specific practice or facility.
